## Mr. Silas Hung

Electronic Engineer

Mr. Hung is a professional electronic engineer who holds a Master's degree from City University of Hong Kong. He has also worked as a part-time lecturer, providing his services to institutions such as EdU, PolyU, and VTC. Additionally, he has served as a conference speaker at CUHK and various engineering academic conferences.

In the past, Mr. Hung has worked at both the Hong Kong Science Park Material Testing Laboratory and the Optoelectronics Laboratory. Since 2017, he has been an experienced teacher, teaching STEM classes at multiple primary and secondary schools. Furthermore, he has obtained CoSpaces Edu certification, which indicates that he is able to teach with professional knowledge and expertise using virtual reality technology.
